RATAFIA CHAMPENOIS

MADE FROM PINOT MEUNIER

Bottle (700 ml) in gift box

WINEMAKING

BLEND

This Ratafia is a liqueur wine made exclusively from Pinot Meunier. Proposed by Jean Diot, it invites you into a rich and complex universe.

TASTING

NOSE

The nose reveals some aromas of fresh acacia honey, orange blossom and fruit alcohol.

MOUTH-FEEL

On the mouth-feel, delicacy and complexity are predominant; it is a trip to the West Indies: flavours of rum complimented by orange peel and lemon notes do charm the palate.

FOOD AND WINE PAIRING

It will find its place among the racy spirits or in a sophisticated cuisine, on a pan seared foie gras or with a fresh exotic fruit salad, to seduce gourmet gourmands.

THE WORD FROM THE CELLAR MASTER

Rich and complex, it is reminiscent of some eaux-de-vie. A nice balance and a beautiful harmony transform this ratafia into a sophisticated, racy and seductive alcohol.
